Dear Mr. Demyanick:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule C of your report fails to include information required by Commission Regulations. With every report submitted, you must provide the date incurred, the original source and amount of the loan, the due date, the interest rate, the cumulative payment, and the outstanding balance. In addition, if there are any endorsers or guarantors, their mailing address along with the name of their employer and occupation must be disclosed. Please amend your report to include the interest rates. (11 CFR §§§ 100.52(a), 100.52(b) and 104.3(d))

-Your report discloses a loan from the candidate that he or she obtained from a lending institution. However, the Schedules C-1 are incomplete. You must disclose the terms, including the due date and interest rate, between the candidate and the lending institution on Schedule C-1. Please amend your report to include this information. (11 CFR §104.3(d)(2))

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action

against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1164.

Sincerely,
